Prior to 3 August, the installation was occupied almost to capacity by a heavy artillery brigade with at least 30 x 203-mm howitzers.

2. Comment. the departure of these elements of the 124th Hv How Arty Brig on 25 July.

went from Altengrabow to Brandenburg. The brigade may have transferred to Altengrabow by road and may have conducted a night firing during the night of 25/26 July.
